FACULTY OF SCIENCE
DEPARTMENT OF COMPUTER SCIENCE
BSC RESEARCH PROJECT PRESENTATION. PANELIST'S MARKING SCHEME

Date...Time Slot...

Students Name..Registration No.......................................

Project Title...

Area Examined	Max% score		Actual score	Remarks
PRESENTATION		**20**		
❖ **Clarity**				
• Understanding of system functionality		6		
• Audibility		2		
• Dress Code		2		
• Eye contact		2		
❖ **Organization**				
• Introduction to work done		2		
• System development work Flow		4		
• Conclusion (Remarks)		2		
IMPLEMENTATION		**60**		
❖ Input				
• Test Data (at least 20 records per function)		5		
❖ Output				
• Test Results (at least 10 system diverse reports)		7		
• Appropriateness of reports		3		
❖ Development				
• Code organisation		5		
• Code originality		10		
❖ Robustness				
• Process validation (code based)		10		
• Process error handling		5		
• Input validation (User Interface)		10		
• Exceptions handling		5		
FEATURES		**20**		
❖ Interface				
• Usability		6		
• Navigation		2		

• Accessibility (by people with different abilities)	2		
❖ Security			
• Security Measures	10		
GRAND TOTAL	**100**		Out of 40%..................
